

REMARKS

Applicant cancels claims 14 and 15, amends claims 1, 3, 12, and 13, and adds new claims 16-25.

The examiner's objection to claims 12 and 13 has been addressed by replacing the term "geolocation coordinates" with "latitude and longitude."

The examiner indicated that claims 14 and 15 would be allowable if rewritten in independent form including all the limitations of the base claim. Applicant has incorporated the limitations of claims 14 and 15 into claims 1 and 3 respectively, rendering allowable claims 1 and 3, and their dependents.

In view of the above amendment, Applicant believes the pending application is in condition for allowance.

Applicant believes no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 08-0219, under Order No. 0113744.00123US2 from which the undersigned is authorized to draw.

Respectfully submitted,

Dated: June 3, 2008
